Learning Objective

To explore a song from Azerbaijan about their capital city and create a song about our local area.

Success Criteria

- I can listen to a song from Azerbaijan and talk about it's meaning.
- I can talk about how the music is similar to music from my country.
- I can create lyrics for a song about my local area.

Baki Haqqinda Mahni - A song about Baku.

Baki Haqqinda is a song about the capital city of Azerbaijan, called Baku. This is a Azerbaijani folk song, which has been sung by many people.

Can you think of any traditional folk songs about England?

Lets listen to the song...

What are the Lyrics?

Lets look at the first verse...

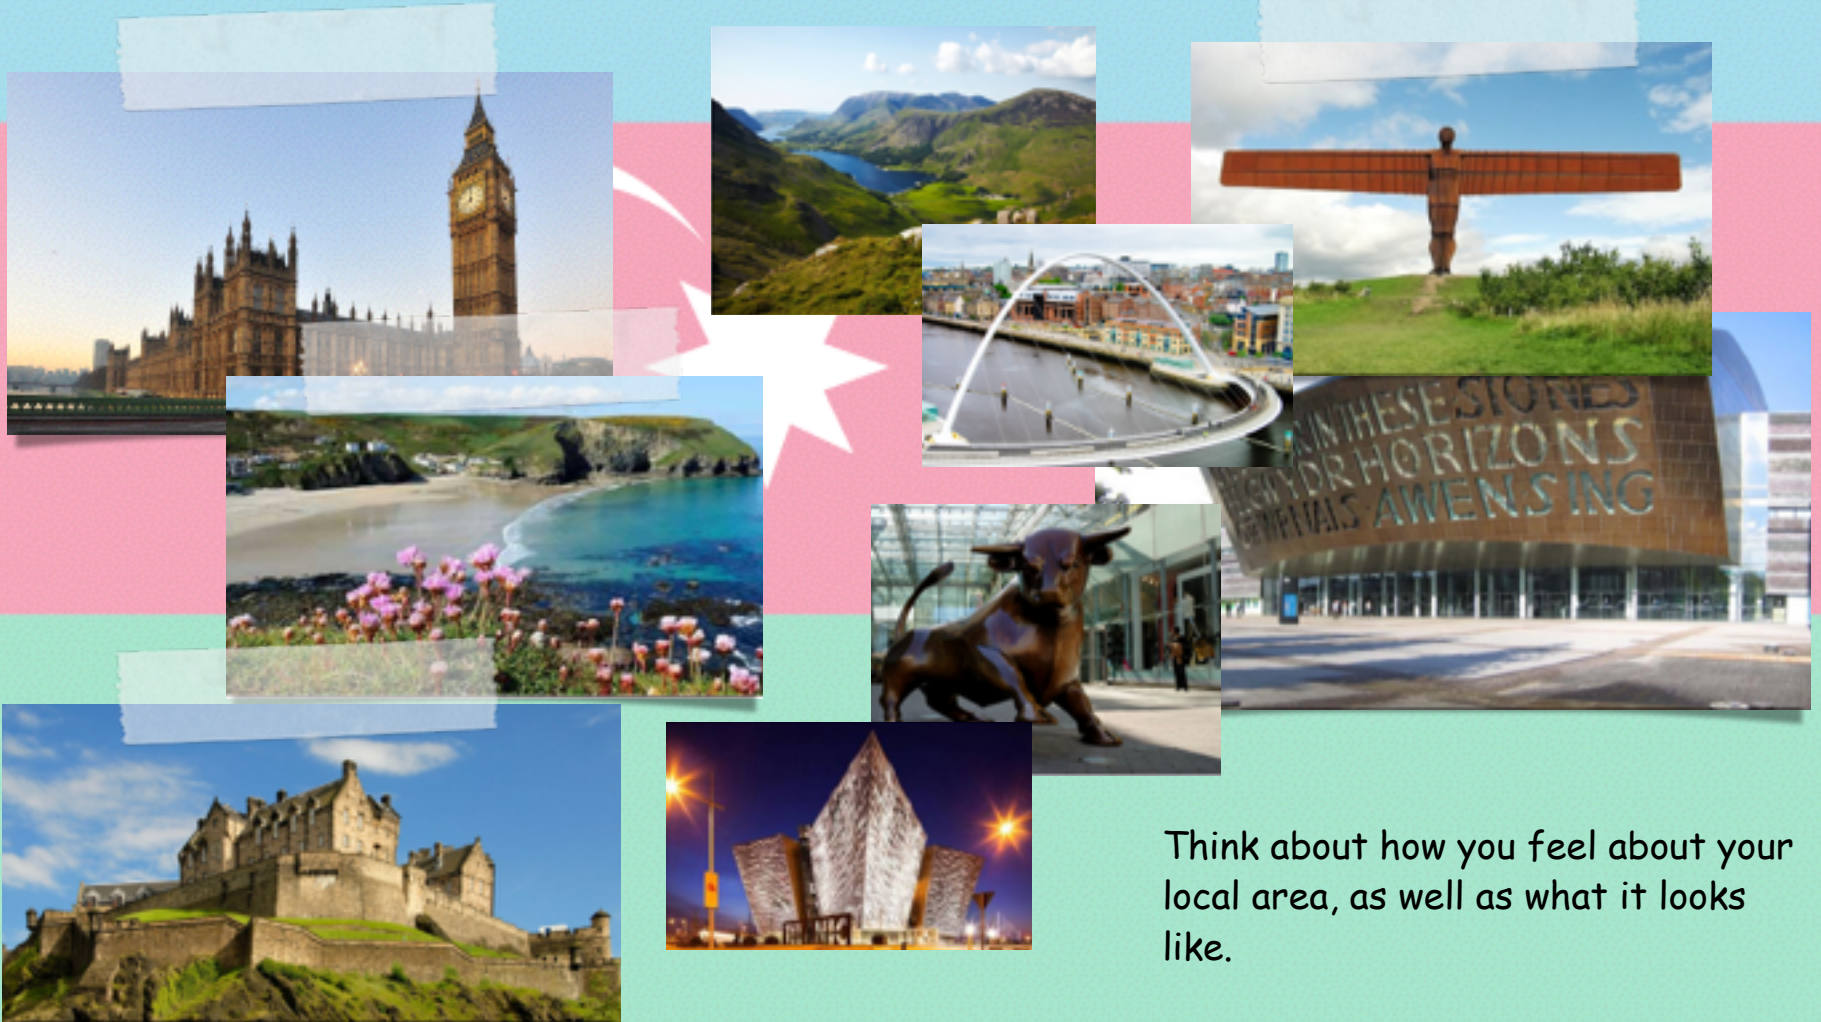

A song about Baku

You are on the coast of the main Xəzərimin
Cheerful Baku's hand in glory.
Every night lights,
I cite in my heart .
Where my mother, my eyes Baku,
My young Baku,
Mrs Baku !

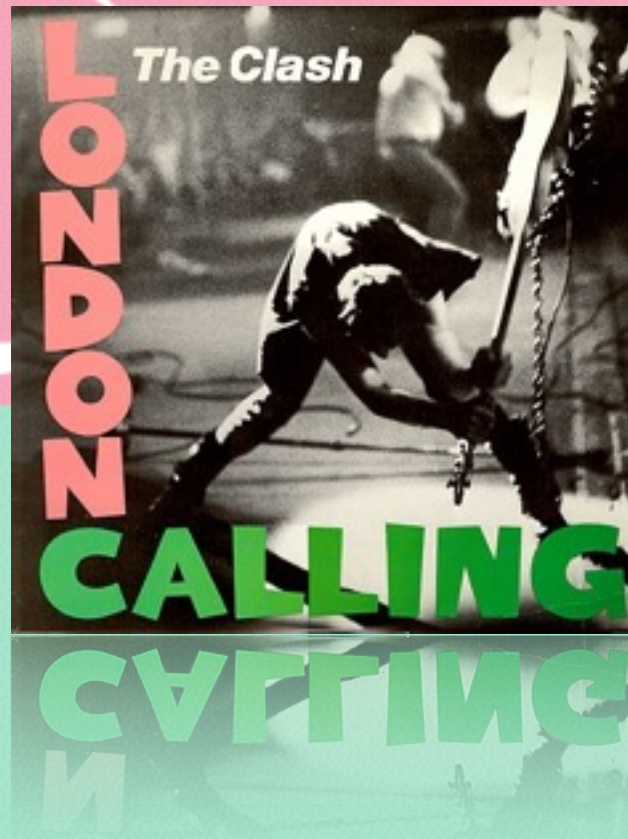

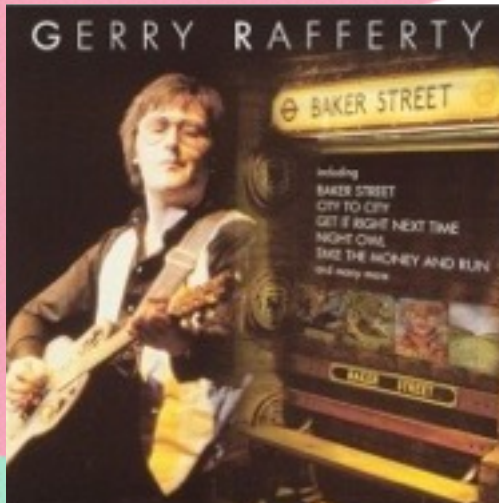

What do you think these lyrics mean?

Think about your local area, what would you like to include in a song about it?

Think about how you feel about your local area, as well as what it looks like.

Can you think of any songs about
your local area?

In groups write a verse about your local area. You need to think about:

- What is in your area
- How it makes you feel
- Why it is a good place to live

You could even include personification.

Finished? Now you can come up with a tune for your lyrics.

Plenary:

Lets have a listen to what our groups of song writers have written.

If you came up with a tune for your lyrics you could sing it to the class.
